64-R-20

A RESOLUTION

To Authorize the City to file a Grant Application with the Metropolitan Water Reclamation District of Greater Chicago's Green Infrastructure Project Partnership for Funding on Main Street Improvements Project

WHEREAS, the City of Evanston seeks to address the livability and environmental needs of our community with green infrastructure opportunities when performing public works projects; and

WHEREAS, the Metropolitan Water Reclamation District of Greater Chicago offers grant funding opportunities to local governments to support their efforts to bring green infrastructure to their communities; and

WHEREAS, the City seeks to apply for funding to support a permeable pavement installation on the Main Street Improvements Project from Maple Avenue to Hinman Avenue. This project has been identified as a good candidate for this type of permeable pavement due to soil conditions; and

WHEREAS, the City Council finds it in the City's best interests to support green infrastructure and seek grant funding from the Metropolitan Water Reclamation District of Greater Chicago to assist in the increased cost associated with such a project,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EVANSTON, COOK COUNTY, ILLINOIS:

SECTION 1: The foregoing recitals are incorporated herein by reference as though fully restated.

SECTION 2: City staff is hereby authorized to submit the application to the Metropolitan Water Reclamation District of Greater Chicago to install permeable pavement on the Main Street Improvements Project through the Green Infrastructure Project Partnership Opportunity program.

SECTION 3: That this Resolution 64-R-20 shall be in full force and effect from and after its passage and approval in the manner provided by law.

Attest:

Devon Reid, City Clerk

Stephen H. Hagerty, Mayor

Kelley A. Gandurski, Corporation Counsel

Adopted: July 27th, 2020
