A Resolution

Engineering Services for
Long Range Sewer Improvement Program

WHEREAS, in December 1990 the City Council adopted the Long Range Sewer Improvement Program; and

WHEREAS, construction under this Program commenced in 1991 and has progressed yearly from 1991 to the present; and

WHEREAS, Phases I and II of the Sewer Program have been completed; and

WHEREAS, Phase III will be completed during the Summer of 1995; and

WHEREAS, Phase IV of the Program is projected for completion in 1996; and

WHEREAS, the Flood and Pollution Control Commission (FPCC) at its meetings of March 30, May 17 and July 19, 1995 analyzed and considered the requirements for engineering services for the Long Range Sewer Improvement Program; and

WHEREAS, the FPCC in its report of July 19, 1995 recommends that the firm of Harza Environmental Services, Inc. be retained as the City's consultant for the completion of the Long Range Sewer Improvement Program; and

WHEREAS, the July 19, 1995 report of the FPCC is marked as Exhibit A and attached, hereto and incorporated herein.

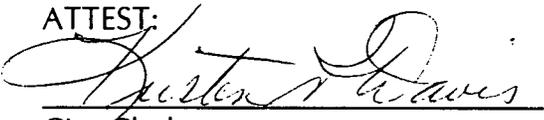

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EVANSTON, COOK COUNTY, ILLINOIS:

SECTION 1: That the City Council of the City of Evanston accepts and adopts the July 19, 1995 Report of the Flood and Pollution Control Commission, and be it further resolved that the City of Evanston retain as the City's consultant for the completion of the Long Range Sewer Improvement Program the firm of Harza Environmental Services, Inc.

SECTION 2: That this Resolution shall be in full force and effect from and after the date of its passage and approval in the manner provided by law.
