LESSOR will air condition the premises when required by outside temperature.

3. LESSOR will cause the halls, corridors and other parts of the building adjacent to the premises to be lighted, cleaned and generally cared for, accidents and unavoidable delays excepted.

4. LESSEE shall comply with such rules and regulations as may later be required by LESSOR for the necessary, proper and orderly care of the building in which premises are located.

5. LESSEE shall neither sublet the premises or any part thereof nor assign this Lease nor permit by any act or default any transfer of LESSEE'S interest by operation of law, nor offer the premises or any part thereof for lease or sublease, nor permit the use thereof for any purpose other than as above mentioned, without in each case the written consent of LESSOR.
