

84-R-12

A RESOLUTION

Authorizing a Modified Purchasing Procedure for the Chlorine System Upgrade at the Water Treatment Facility

WHEREAS, the City owns and operates a water treatment facility at 555 Lincoln Street, Evanston, Illinois (the "Water Treatment Facility"); and

WHEREAS, City staff at the Water Treatment Facility have utilized chlorine as a disinfectant in the water treatment process for close to a century; and

WHEREAS, the component parts of the equipment for the chlorine treatment need to be replaced and there are limited products available, with a long lead time needed for purchasing prior to obtaining the necessary equipment (the "Upgrade of the Chlorine System"); and

WHEREAS, a modified purchasing procedure must be utilized due to the time constraints on the equipment and the sensitive nature of the information to be contained in the procurement request and bid responses; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EVANSTON, COOK COUNTY, ILLINOIS, THAT:

SECTION 1: The City Manager is hereby authorized to follow a modified purchasing procedure for the selection of the engineer and contractor on the Upgrade of the Chlorine System at the Water Treatment Facility.

SECTION 2: The City Manager is hereby authorized and directed to commence the aforementioned modified procurement procedure and make any

modifications to the RFQ that may be determined to be in the best interests of the City.

SECTION 3: This Resolution 84-R-12 shall be in full force and effect from and after its passage and approval in the manner provided by law.

Elizabeth B. Tisdahl, Mayor

Attest:

Rodney Greene, City Clerk

Adopted: December 10, 2012
