52-R-18

A RESOLUTION

To Authorize the City to file a Grant Application with the Metropolitan Water Reclamation District of Greater Chicago's Green Infrastructure Project Partnership for Funding on Alley Improvements

WHEREAS, the City of Evanston seeks to address the livability and environmental needs of our community with green infrastructure opportunities when performing public works projects; and

WHEREAS, the Metropolitan Water Reclamation District of Greater Chicago offers grant funding opportunities to local governments to support their efforts to bring green infrastructure to their communities; and

WHEREAS, the City seeks to apply for funding to support permeable paver alley improvement projects for two specific alleys in the City, both identified as good candidates for these types of permeable pavement due to soil conditions; and

WHEREAS, the City Council finds it in the City's best interests to support green infrastructure and seek grant funding from the Metropolitan Water Reclamation District of Greater Chicago to assist in the increased cost associated with such a project,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EVANSTON, COOK COUNTY, ILLINOIS:

SECTION 1: The foregoing recitals are incorporated herein by reference as though fully restated.

SECTION 2: City staff is hereby authorized to submit the application to the Metropolitan Water Reclamation District of Greater Chicago to pave two subject alleys (alley North of South Boulevard, East of Ridge and the alley North of Hull, East of Callan) for paving through the Green Infrastructure Project Partnership Opportunity program.

SECTION 3: That this Resolution 52-R-18 shall be in full force and effect from and after its passage and approval in the manner provided by law.

Attest:

Devon Reid, City Clerk
